

LOCATION

Pullman, the Accor group's new chain of individual upscale hotels and resorts, is designed to make life easier for business and leisure travelers. Pullman offers its guests a stress-free environment, where they can stay permanently connected with their homes and offices, thanks to new technologies, particularly the Wi Fi network.

Visitors to Bali can now enjoy a stylish new addition to the upscale Pullman brand, Pullman Bali Legian Nirwana. The resort is 20 minutes drive from Ngurah Rai International Airport, set in a natural, green, tranquil and tropical oasis, opposite the famous Legian beach and close to the heart-beat of Bali's shopping and night life areas.

Inspired by the frangipani flower, the edifice and its design invokes a sense of urban living, that epitomizes the best of Balinese hospitality.

A sophisticated resort experience awaits, where the welcome is always warm and the guest's well-being is of utmost importance, all gently caressed by the balmy sea breeze, and perfumed by tropical garden flowers.
